GIDEON GOES TO BATTLE

The time had come to face the Midianites. God wanted ________ to defeat them and make sure his people were safe.

Gideon had to choose men to go to ________ with him. God told him to choose only the brave ones and to send the others away. God told Gideon to choose the men who ________ from their hands and to send the others away. When he had done all this, he was left with ________ men.

Gideon told these men to carry a torch in a ________ pot in one hand and a horn in the other hand. In the middle of the ________ they crept to the place where the Midianites were ________ and waited until Gideon gave the signal to make a ________ .

Gideon blew his ________ and then all the other men blew their horns, making a very loud noise. They also ________ their jars so that the torches shone brightly.

The Midianites were confused and ________ and began fighting each other. Some ran away. Gideon sent for help from men from another tribe and they got rid of them all from their ________ . With God’s help they had won the battle. There was peace for ________ years.

use these words to fill in the gaps: noise battle clay drank 300 night 40 camping horn broke scared land Gideon
Cut out the clay jar and pierce through the holes. Now draw a zig zag line down the middle and cut in half.

Cut out the torch and pierce through the holes. Stick flames of red and orange tissue in the top part. Fix the torch behind the jar with paper fasteners.
