We learnt recently about the beautiful temple that Solomon built. Sadly, it didn't last because some years later it was destroyed and the people in Jerusalem were captured by King Nebuchadnezzar of Babylon and taken 500 miles away to work for him and his people.

One of the people captured was a young man called Daniel. He loved God and wanted to keep serving him even though life was hard and he and his friends were very sad about what had happened to them.

One day the king had a dream and it scared him. We all dream. Some of us remember our dreams and sometimes it's as if God is trying to tell us something. Nebuchadnezzar felt that his dream was an important one but he didn't understand it so he asked for his magicians and astrologers to come and tell him what it meant. He even asked them to tell him what the dream was. They said it was impossible, but Daniel knew that God could tell him what it meant, so he asked his friends to pray so that he could give an answer to the king.
